

Beverage industry wants liquor sale again

► **NEW DELHI, DHNS:** Apprehending huge financial losses and job cuts, the Confederation of Indian Alcoholic Beverage Companies (CIABC) has urged state governments to impress upon the Centre about an urgent need to start the sale of liquor in coronavirus-free zones.

The apex body of the Indian alcoholic beverage industry has urged the Centre as well as states to allow the opening of liquor shops while strictly following all social distancing guidelines, besides considering online sales to check overcrowding at outlets.
